Theme :

Electronic Purchase Requisition (E-PR)
Improvement on the existing PURCHASING
PROCESS.

Problem :

- 1) PR book is hard to trace the past year record.
- 2) Troublesome to access to PR book by multiple user.

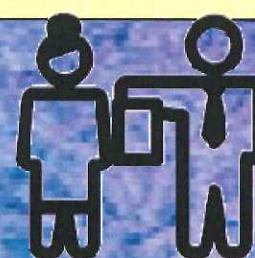

Solution :

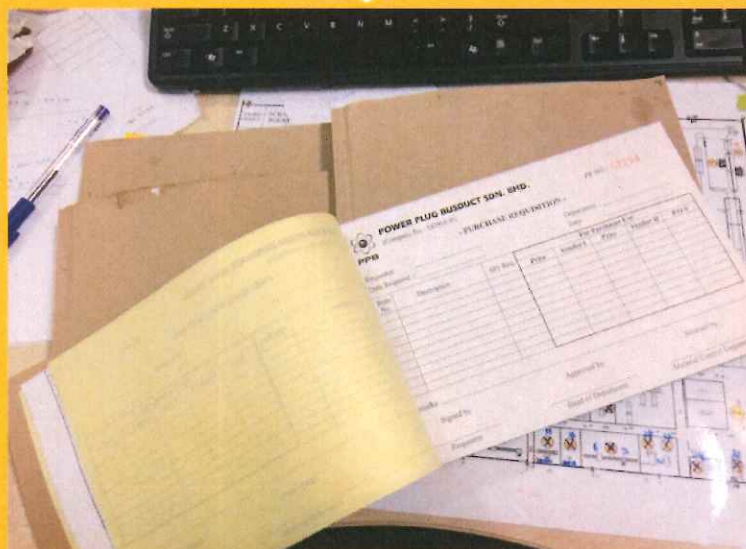

Requestor has to fill up Centralised Excel system to make their request on item(s) to buy. Purchasing Department will attend to the respective purchase request by accessing to the same electronic platform.

Result :
